## Elite Construction Annual Open House & Fundraiser

**September 2022**

Dear Friend,

You know that it's both a personal and company value to share our blessings and take care of those in need. So besides throwing a great party, our main goal with the Elite Annual Open House this year is to raise money for charities that matter. Last year we raised over \$5,000 for the L.A. County Sherriff's Youth Foundation.

**This year, however, is different; it's personal.** This year, in addition to continuing to support the L.A. County Sherriff's Youth Foundation, we are also **raising money for drug awareness and suicide prevention.** As you may know, a wonderful young man and **part of our Elite family passed away unexpectedly and tragically** this year. So, we are also raising money for Waymakers, a nonprofit that helps people find their way past conflict and crisis, in his honor.

I am reaching out to you personally to **help us with the goal of raising \$20,000 at this year's Elite Construction Annual Open House & Fundraiser** by becoming an event sponsor.

---

# REACH HIGHER WITH ELITE

---

Your generous contribution will help us with the expenses of holding and promoting the event. Our goal is to make this year's open house bigger and even better than last year. Included in this letter are the sponsorship levels.

Thank you in advance for helping to make this year's open house and fundraiser our best one yet.

Sincerely,  
Joe Szabo  
General Manager  
Elite Construction Equipment
